No 172 / 2025

MONACO, 21-01-2025

To:
Panhellenic Association of Physiotherapists

Notification:

- 1) President of the Asian Continental Committee for Blood Donation
- 2) President of the European Continental Committee for Blood Donation
- 3) President of the African Continental Committee for Blood Donation
- 4) President of the Latin American Continental Committee for Blood Donation

Subject : Decision on the creation of a register of blood cover for Greek Physiotherapists

With the decision number 167/11-2024 of the Secretary General of the International Federation of Blood Donor Organizations IFBDO - FIODS , the operation of a special register with the number 141210 is decided in order to provide automatic coverage in blood, platelets and plasma in case of emergency for all the members of the Panhellenic Association of Physiotherapists and also for their families members, first degree of kinship.

The decision will apply to all the regions of Greece as well as for emergency cases during the period when someone is abroad and needs a transfusion in all the countries, in the Continentals of Europe, Africa, Asia and Latin America.

With appreciation,

THE GENERAL SECRETARY OF IFBDO

THEOLOGOS ZOTOS
